Absence

The national comparators shown are based on a breakdown of state-funded primary, state-funded secondary and special schools, in line with statistical releases on absence.

This data includes all absences reported during the autumn term 2018 and spring term 2019. For schools which opened or closed part way through this period, their absence information will be based on a shorter period.

School characteristics

Basic characteristics trends

This is final data for 2018/2019 (January 2019 census data).

For a small number of schools there may be slight discrepancies between school characteristics data displayed in ASP and data in the IDSR. This is because the IDSR is based on the January school census but ASP data has incorporated some updates made after the January school census.

Local authority average

The data used for this comparator is all state-funded schools in this school's local authority.

National average

The data used for the national comparator is all state-funded schools in England. These include academies, free schools, local authority maintained schools and special schools.

Key stage 1 reports

Male

The national comparator used in this row is the national average for male pupils.

Female

The national comparator used in this row is the national average for female pupils.

Disadvantaged

Pupils may be defined as disadvantaged if:

- they are known to have been eligible for free school meals in the past 6 years, or
- they are recorded as having been looked after for at least one day, or
- they are recorded as having been adopted from care

The national comparator for this row is the national average for non-disadvantaged children.

Ever 6 FSM

Pupils known to have been eligible for free school meals in any of the previous 6 academic years, as well as those first known to be eligible in January of the year this data covers.

The national comparator used in this row is the national average for children who are not eligible for free school meals.

Children looked after

This means children looked after by local authority for at least 1 day during the year and aged 4-15 as at 31 August. It excludes children looked after under an agreed series of short placements and also those who were on remand/committed for trial or sentence and accommodated by the local authority.

Small CLA cohorts in most schools mean you should treat this data with caution, in particular when comparing against national benchmarks. Also, note that ASP uses a different definition for the CLA national average compared to other [DfE statistical publications](#) covering attainment of looked after children.

The national comparator used in this row is the national average for pupils in state-funded schools who have not been looked after for 1 day for the year in

question. Note that 'not looked after children' in this case will include pupils who may have been looked after previously but were not looked after for at least 1 day in the year in question as well have pupils who have never been looked after.

Other

Non-disadvantaged children.

The national comparator used in this row is the national average for non-disadvantaged children.

SEN EHCP

This refers to pupils with Special Educational Needs (SEN) who have learning difficulties or disabilities that make it harder for them to learn than most children of the same age. There's a formal assessment to decide if a pupil needs an Education, Health and Care Plan (EHCP).

The national comparator used in this row is the national average for all pupils.

SEN support

This is when the school gives children extra or different help from its usual curriculum. Outside specialists may advise or support the class teacher and SEN coordinator.

The national comparator used in this row is the national average for all pupils.

No SEN

Pupils with no Special Educational Needs.

The national comparator used in this row is the national average for pupils with no SEN.

English first language

This refers to children who were initially exposed to English during early development and continue to be exposed to English in the home or in the community.

The national comparator used in this row is the national average for all pupils.

English additional language

This refers to children who were initially exposed to a non-English language during early development and continue to be exposed to this language in the home or in the community.

The national comparator used in this row is the national average for all pupils.
